Mazda to Adjust Production Following Major Earthquake in Eastern Japan

HIROSHIMA, Japan—Mazda Motor Corporation wishes to convey its heartfelt sympathy and concern for all people affected by the major earthquake in eastern Japan.

Mazda places the highest priority on ensuring the safety of all employees and their families at its suppliers in the affected region. Therefore, Mazda has decided to suspend production at its Hiroshima and Hofu plants from the night shift on March 14 through to the night shift on March 16, 2011.

Mazda will announce any further production changes for March 17 onward as soon as a decision is made.
