## **Mazda to Adjust Company Holidays for July through September**

**HIROSHIMA, Japan**—Mazda Motor Corporation wishes to convey its heartfelt sympathy and concern for all people affected by the Great East Japan Earthquake.

Due to the impact of the earthquake, Mazda has decided to temporarily adjust weekly holidays at all facilities in Japan from Saturdays and Sundays to Thursdays and Fridays for the period from July 1 through September 30, 2011.

Mazda is implementing this change in cooperation with industrywide efforts to reduce electricity consumption on weekdays. These efforts are in line with plans already announced by the Japanese Automotive Manufacturer's Association (JAMA) in response to concern over nationwide shortages in electricity supply during the summer period.

Mazda apologizes to everyone inconvenienced by this change, including its business partners and local communities.
