Mazda to Adjust Production in July 2021

Mazda will implement the following adjustments to production in July due to difficulties procuring certain components that use semiconductors.

Plant: Hofu Plant No.1 (Located in Yamaguchi Prefecture in Japan)

Planned suspension period: a total of 10 days from July 5 to 9 and July 12 to 16

We apologize to our customers and all the other stakeholders for the inconvenience and concerns this production adjustment will cause. We will give our utmost efforts in minimizing the impact on sales, services and on business partners who cooperate with us on this matter.
