## Organizational and Personnel Changes

Mazda Motor Corporation has announced the following organizational and personnel changes, effective July 1, 2021.

### 1. Organizational Changes

Changes in the area of Integrated Control System Development

Aims

- Establish a framework that enables comprehensive vehicle system development, including in the areas of both hardware and software to accelerate the creation of Mazda unique values from the viewpoint of overall optimization.

Details of changes

- The MBD Innovation Department that belonged to the Powertrain Development Division has been transferred to the Integrated Control System Development Division.
