Note: Effective April 1, 2026, the position of "Senior Division Manager" will be newly established. This is a position leading a division responsible for critical business operations, carrying responsibilities and expectations similar to those of an executive, and driving operations from a position close to executive officers.

The position of Supreme Manager will be abolished on same timing.

Note: This announcement includes job positions for which there is no mention of current or new appointees. Transfer information regarding those positions will be announced at a later date.
